**Importance:** High

Good afternoon Senior Staff,

I wanted to send a friendly reminder of our Bi-monthly Managers Call with IDNR tomorrow at 1:00 p.m. I have attached to this email the final agenda for our call, ***please note we have revised the format of our calls so agenda topics will be discussed by media.*** I have highlighted those who have been identified as lead for each agenda topic so please take a look at the attached agenda to ensure you are prepared to lead the discussion if you are listed as the topic lead.

I have also attached to this email as an overview for EPA Program Managers/Staff the IDNR FY20 PPG Funding Table which can be found on our POIS State Coordination SharePoint Site.

I will be facilitating tomorrow's call with IDNR and plan to kick the call off with a roll call of participants on the call. I will do this by division and follow in order of our agenda so please speak up when you hear your division!

As always, feel free to give me a call if you have any questions regarding the attached documents.

Thanks so much,

**Whitney Rawls**
